(the "Eligible Credit Cards") (the "Cardholders"). PC online cards and gift cards are excluded. Eligible credit card accounts are identified by credit card number. Unless the context otherwise requires, "Bank" refers to Bank of Communications (Hong Kong) Limited and Bank of Communications Co., Ltd.
- (2) The promotion period is from 1st February to 31st May 2026, inclusive (the "Promotion Period").
- (3) Cardholders must present and use their eligible credit cards at designated stores in One Central Macau (the "Merchants") to enjoy the offers.

Eligible transactions from supplementary cards will be combined with the primary cardholder's account. The spending rebate is calculated per credit card account; the primary card and its supplementary card will be considered as one credit card account. A maximum of HK\$300 in spending rebates can be earned per promotional phase throughout the entire promotion period. Spending rebates earned through this promotion will be credited to the primary cardholder's account in the following phases:

Tier	Spending at participating merchants at One Central Macau	Reward
1	HK\$3,000 (single purchase)	5% credit rebate (up to a maximum amount of HK\$300 per phase)

Phases	Promotion Period	Rebate Date

The rebate can only be used for future retail spending. If a cardholder holds multiple eligible credit cards (based on credit card numbers), each eligible credit card can participate in this promotion.

(6) All transactions eligible for the 5% spending rebate are calculated based on the transaction date recorded by the bank. The credit card account must be active and in good standing at the time the spending rebate is credited. Any fraudulent, deceptive, unauthorized, cancelled, refunded, or unposted transactions are not eligible for this promotion. The bank will verify the cardholder's credit card transaction records via computer to determine eligibility for the spending rebate under this promotion. Cardholders must retain the original transaction slips and credit card spending stubs for verification purposes.
